Patient Reviews for Heideh Khalilnejad, MD

September 6, 2013 by Michelle R. (Verified Patient)

Overall Rating Bedside Manner Wait Time

Awesome! Best doctor: warm, professional, kind. I healed in a couple of days.

Overall Rating Bedside Manner Wait Time

So happy to have found her.

August 21, 2013 by a Verified Patient

Overall Rating Bedside Manner Wait Time

She is unprofessional, manipulative, and pushy. Didn't wash her hands when she touched the inside of my mouth. Can't read a blood test report. Scheduled annual physical and then said she cannot do it. I felt neglected, manipulated and abused. Don't go there!

Overall Rating Bedside Manner Wait Time

Friendly, warm with great listening skills and thoughtfulness in her assessment. Handled questions patiently
